

Education For All Children

Together browse the EFAC website and discuss the following questions (be sure to visit the gallery):

- 1) What is EFAC?
- 2) Who do they help?
- 3) Why is this important in our world?

Partner A- Under the *Student* tab what is the *change a life initiative*? How will this help students in Kenya? How is the opportunity for education different in Kenya than where you live?

Partner B- Under the *Student tab*, Who are some of the EFAC scholars? Where are they from? Who might you connect most with? Why?

Partner A- Under the *Student tab*, what is the Mentor Workshop? Who does it help? How will this help the EFAC scholarship students?

Partner B- Under the *About Us tab*, Where does EFAC operate? Why did they choose this place? How much money does the Kenyan government give each student towards education? Why might this be a problem?

Partner A- Click on the *Donor tab*, under *Testimonials*, how can sponsoring a child make a difference in your life? How much of the donations go towards an EFAC scholar? Why might that be important?

Partner B- Click on the *Educator tab*. What is EFAC DREAMS? Why would a program like EFAC DREAMS be important for students in the United States? Who will this program impact?

Share with your partner what you have learned. Save this information, you will use it again in your proposal.
